

How can we begin to reflect on the last five years of our lives? As we get older, remembering yesterday seems to be a chore. We recall our near frantic efforts to find a suitable school and church to attend once we learned that our previous church and school was closing it's doors.

We prayed for guidance, hoped for the best and we hit the streets looking for a new place for our children to learn and worship. St. Peter's was exactly what we had hoped for as far as location, cleanliness and a traditional school calendar. What we hadn't expected, but have grown to truly cherish, is the sense of family and belonging that was offered to us from the start.

We were blessed by having Mrs. Dahle as Nick's first teacher at the new school. Her warm smiles, jovial antics and true compassion for the students was a Godsend. We have been so pleased with all of the teachers and staff at St. Peter's and will always hold fond memories of our time within the "wings of Eagles".

God Bless!
