

## Teddy Bear News

*May 19-23*

This week in the teddy bear classroom we learned about a boy named Timothy and how much Jesus loves us. We praise danced to "Jesus loves the little ones", we made cards to give to someone to tell them Jesus loves them, we decorated crosses on hearts and we talked about how Timothy traveled all over to others how much Jesus loves them. This week we also talked about Dinosaurs and the letter Z. We went digging for Dinosaurs in the sand, we acted out being dinosaurs and did lots of roaring and we drew pictures of ourselves as dinosaurs.

Be sure to ask your kids about our science center this week, we made our own dinosaur tails with half a banana, peanut butter and candy corn.

Next week our theme will be a teacher free week and yearly review. Our Bible lesson focuses on Jesus knows my name with our Bible verse from Isaiah 43 verse 1; God says; "I called you by name." With activities like a circle of friends, my name comes from, my name in play dough and animals and insects.

Our language arts centers will focus on playing animal review, good-bye pictures for buddies and puppet play. Last but not least our science and math centers will focus on "The Wheels on the Bus bored game, "Owl's Letter Review and a free game day.

Celebrating her birthday this month is Kiaya Batkin on May 3<sup>rd</sup>.

Some things to know are:

- **Please be sure** to use a full signature when signing your child in or out, this is a state requirement.
- ❖ **Please watch** the counter for sign up sheets when supplies are needed they count as parent hours, just save your receipt and turn it in with your parent participation form at the end of each trimester.
- ⊕ **The needs for this week are:** The forms with the meaning of your child's name.
- **Spring is here** However, please send your child in with a jacket every morning, we go outside everyday unless it is raining and it can still be fairly cold during the first part of the morning.
- ⊕ **Please note** socks and closed toed shoes must be worn at all times.
- ❖ **Please remember** We still need parents to sign up for morning snack, please check the calendar next to the sign in and out sheets.

- **Lost and Found** There is a small basket by the classroom door with odds and ends with no names, please take a moment to go through and be sure your child is not missing anything, we will be emptying the lost and found on June, 1<sup>st</sup> .

Lovingly in Christ,
