Devotions: Trevor will be leading us in devotions on Monday and Alfonso will lead us on Tuesday! Thank you guys!

The Civil War is almost over! We will be having a water balloon fight on June 2nd at 2:30. The students may bring water balloons already filled and small hand held squirt guns for this event. If you bring water balloons, bring them in an ice chest. We really do have fun on this one!

Desk cleaning!: We will be cleaning out our desks on Monday, so please send a bag with your child so that they can take their belongings home in it!

If your child has not returned a book such as the How You Are Changing Book, a book borrowed from me for the last book report, or a library book, their report card will not be mailed home until the book has been replaced or returned. Don't be left out of the loop!
